Referral Bonus Program Rules

The Referral Bonus Program applies to open positions at Infinity Rehab.

Bonus Amounts vary based on the hired status of the referred therapist:

Full-Time: \$1000
Part-Time: \$500
On-Call: \$250

An eligible referral must have the following qualifications:

- The candidate must be sourced through your own individual efforts.
- The Employee Referral Form must be received by the Recruitment Department prior to a Recruiter working with the referred therapist, prior to any interviews or being hired.
- The referral must include contact information.
- The candidate cannot be a current employee or past employee of Infinity Rehab, Signature Companies or Therapy Solutions.
- You cannot refer a student who is currently doing a clinical rotation or has done a clinical rotation in the past with Infinity Rehab.
- The referral must be for a full time, part time, or on-call position.

Other Rules:

- Referral bonuses are paid after the referred therapist has worked 6 months.
- On-Call therapists must work 40 hours within a 3 month period of time from their start date prior to the bonus being paid out.
- Sometimes duplicate referrals are received for the same open position. In this case, the person who first referred the candidate by submitting a Referral Bonus Application is considered to be the person who referred the candidate.
- You must be employed with Infinity Rehab at the time referral was made and at the time the bonus is scheduled for payout.

Any person is eligible to participate, except certain Infinity Rehab employees including:

- Area Rehab Directors
- Regional Director of Ops
- Administrators
- Human Resource Employees
- Staffing/Scheduling Coordinators
- Corporate Recruiters
- Vice Presidents
- Presidents
- Chief Financial Officers
- Director of finance

Thank you for your participation.
